WHEN THERE'S TOUGH TO BE DONE

THE NEW-GENERATION HILUX

MODELS SHOWN: 2.8 GD-6 4x4 LEGEND 6AT, 2.8 GD-6 RB RAIDER X 6AT & 2.8 GD-6 4X4 SRX 6AT

MODEL SHOWN: 2.8 GD-6 4x4 LEGEND 6AT MHEV

INTRODUCTION

TOUGH ENOUGH FOR LEGENDARY STATUS

With over one million units sold on home soil, 57 years and eight generations of unbreakable heritage, the New-Generation Hilux is here and tougher than ever.

The New-Generation Hilux raises the bar once again, fusing legendary toughness with bold design and modern technology. It's forged on the same indestructible DNA that conquered four gruelling Dakar Rallies to remain South Africa's favourite bakkie.

Therefore, we accept the challenge. No matter the terrain or task, the New-Generation Hilux is ready for anything.

BY THE SPEED OF TOUGH

When there's tough to be done, hesitation isn't an option.

Unbreakable by design. Unbending by nature. The ladder-frame chassis that's carried the Hilux legend for generations has been refined for a smoother, more responsive ride.

Across the Single Cab, Xtra Cab and Double Cab line-ups, the New-Generation Hilux is powered by a range of engines built to pull and built to last.

2.8GD-6 150 kW @ 3000 r/min 500 Nm @ 1600 r/min 6-speed automatic 4x4

2.8GD-6 MHEV 162 kW @ 3000 r/min 565 Nm @ 1600 r/min 6-speed automatic 4x4

Bold exterior design

TOUGH HAS A NEW SHAPE

The New-Generation Hilux isn't just a facelift; it's a complete reimagining of what makes a local legend.

The new front-end design integrates the grille, bumper and fenders to create a wider, more planted stance that looks as hard as it works. Every detail has a purpose, and every feature has its place. From the worksite to the farm, it's all toughness, all the time.

The New-Generation Hilux projects a presence that's as confident as it is capable. Whether you're navigating the city or heading deep into the bundus, this bakkie is ready for heavy lifting.

FIND YOUR HILUX

Single Cab. Xtra Cab. Double Cab. Diesel or mild hybrid. From towing to loading and everything else in between, there's a Hilux for every need. The DNA never changes, only the purpose does.

LEGEND AND RAIDER X

When there's tough to be done, South Africans choose Hilux. For those who expect more from every kilometre, the New-Generation Hilux delivers. Featuring striking 18-inch diamond-cut alloy wheels* and modern technology, the New-Generation Hilux delivers a performance that tackles the daily commute as confidently as the weekend escape.

*Available on selected models.

DOUBLE THE STYLE

The New-Generation Hilux Double Cab arrives with a more planted stance built for South African roads and backroads alike.

Up front, the redesigned grille, bumper, and fenders create a commanding presence. At the rear, an updated bumper integrates underrun protection and parking sensors*, alongside practical deckside and rear steps for easy loading.

Sharpened by 18-inch wheels* and LED daytime running lights*, it takes on hard work without showing it. Grounded and purposeful, it doesn't just turn heads, it shows up ready for business.

*Available on selected models.

DOUBLE THE COMFORT

The New-Generation Hilux Double Cab is built for those who demand more from their vehicle. Whether it's carrying tools to the job site during the week or taking the family away for the weekend, it handles both with ease and without compromise.

The toughness doesn't stop at the load bay. Inside, the cabin combines practicality, comfort and smart technology to support every journey.

Interior Highlights:

- Higher-grade models feature softer-touch materials and a layered dashboard design for a more premium feel.
- Clever storage solutions throughout the cabin help keep essentials organised and within easy reach.
- The unmistakable rugged Hilux character remains at the heart of every model .

Comfort That Matches Your Lifestyle:

- Legend models feature durable, perforated leather upholstery, designed to withstand daily wear and tear.
- Raider models offer robust fabric seats that are equally at home on a dusty worksite or the daily commute.

Smart Technology on the Move:

Top-spec models feature dual 12.3-inch displays:
- A fully digital instrument cluster.
- A central touchscreen infotainment system.

Modern interior with 12.3 " central touchscreen infotainment system

INTERIOR SHOWN: 2.8 GD-6 4x4 LEGEND 6AT MHEV

TOUGH XTERIOR

The New-Generation Hilux Xtra Cab wears its toughness with greater precision. A bold new front and rear design creates a stronger, more technical appearance. Every line, angle and detail has been shaped with strength in mind.

Key features include:

- 18-inch wheels that enhance both capability and presence
- LED daytime running lights for a sharper, more distinctive identity
- Blind Spot Monitor integrated into the side mirror for added awareness
- Parking sensors to make manoeuvring easier and more convenient
- Deckside and rear access steps for faster, easier and more secure loading and unloading

XTRA COMFORT

The New-Generation Hilux Xtra Cab introduces a redesigned cabin for long days, early starts, and every kilometre in between. With a more modern interior and practical technology, it's built to work as hard as those behind the wheel.

Key interior and connectivity features include:

A redesigned cabin experience, featuring:

- Restyled dashboard
- Updated steering wheel
- A 12.3-inch infotainment display

Practical storage solutions, designed for everyday gear and essentials

Raider X model comfort and convenience upgrades, including:
- Wireless charging
- Leather finishes

Toyota Remote*, giving you access to:
- Remote Door Lock and Unlock
- Remote Close Window
- Remote A/C and Schedule A/C
- Find My Car
- Anti-Theft Alarm

Comfort that's been earned. Technology that works as hard as you do. A cabin built for life behind the wheel of a Hilux.

* Toyota Remote features are available on the New-Generation Hilux, accessible via the MyToyota App.

Restyled dashboard

Wireless charger

SINGLE-HANDEDLY FORMED FOR FUNCTION

The New-Generation Hilux Single Cab looks every bit as capable as it is. With a bold new design that signals strength from every angle, its purposeful stance is built to make an impression long before the work begins.

New daytime running lights give it a sharper, more modern edge, while every design detail serves a purpose, like side steps to make moving in and out of the cabin safer and easier.

MODEL SHOWN: 2.8 GD-6 4x4 SRX 6AT

SINGLE-HANDEDLY A MODERN MULTITOOL

Long days. Early starts. Late finishes.
The New-Generation Hilux Single Cab is designed to take them all in its stride.

Inside, the all-new cabin brings a more refined, modern feel without losing sight of the job at hand. A redesigned dashboard, updated steering wheel and intuitive 8-inch infotainment display create a workspace that's as practical as it is comfortable, while one-touch electric windows add everyday convenience where it matters.

Hardwearing fabric seats are built to stand up to the demands of real work, shift after shift, kilometre after kilometre.

MODEL SHOWN: 2.8 GD-6 4x4 SRX 6AT

SRX

Engineered for pure functionality, the SRX interior prioritises a no-nonsense layout that pairs a panoramic cabin with strategically placed storage and durable fabric seating to maximise your drive.

TOUGH NEVER FELT THIS SECURE

The Next-Generation Hilux combines its legendary South African toughness with a sophisticated suite of protective technologies. It is engineered not only to conquer the most demanding terrains but to ensure every passenger returns home safely, earning it a prestigious Global NCAP 5-star safety rating. The toughest Hilux ever built is also the safest.

Standard Safety Features (All Models)

- Occupant Protection: Equipped with 7* airbags as standard.
- Braking and Stability: Features an Anti-lock Braking System (ABS) with Brake Assist (BA), Emergency Brake-force Distribution (EBD), and Vehicle Stability Control (VSC) for maximum grip on wet or rugged surfaces.

Toyota Safety Sense 3.0 (Raider X and Legend)
This intelligent system acts as a digital co-pilot to anticipate hazards before they occur:

- **Collision Prevention:** Enhanced Pre-Crash Warning and Braking, Intersection Collision Avoidance and Emergency Steering Assist.
- **Highway Assistance:** Lane Departure Alert, Lane Tracing Assist, and Proactive Driving Assist to reduce driver fatigue on long trips.
- **Visibility And Awareness:**
  - Blind Spot Monitor with Rear Cross-Traffic Alert (New)
  - Safe Exit Assist to prevent accidents when opening doors (New).
  - 360-degree Panoramic View Monitor and Automatic High Beam for total environmental awareness.

*Available on selected models.

THE FUTURE OF TOUGH IS CONNECTED

The toughest jobs demand more than brute strength. The New-Generation Hilux combines legendary toughness with smart technology tailored for modern South African life. Whether you are on the highway, at the worksite, or far beyond the tarmac, this bakkie keeps you connected and in total control.

The New-Generation Hilux transforms the cabin into a high-tech command centre, blending premium comfort with rugged practicality. Whether you're managing a worksite or exploring the bush, these interior upgrades ensure you stay connected and in total control of your environment.

Digital Cockpit and Displays

- Legend, Raider and Raider X: Features dual 12.3-inch displays, including a customisable digital instrument cluster and a central infotainment touchscreen.
- SRX Models: Equipped with an 8-inch Display Audio designed for everyday utility.

Connectivity And Technology

- Toyota Remote**: Includes in-car Wi-Fi, remote door lock and unlock, remote window closure, remote aircon and scheduled aircon, Find My Car and Anti-Theft Alarm.
- On-the-Go Support: Direct access to service bookings and roadside assistance.

Premium Audio and Off-Road Vision

- JBL Sound System*: A recalibrated nine-speaker setup tuned specifically for the new cabin acoustics.
- Multi-Terrain Monitor (Raider X and Legend): Provides a 360-degree view, including a transparent underbody display to see front wheel placement and hidden obstacles in real time.

**Toyota Remote features are accessible through the MyToyota App.
*Available on selected models.

TOYOTA ENVIRONMENTAL CHALLENGE 2050

AT TOYOTA, CREATING TECHNOLOGICALLY ADVANCED VEHICLES ISN'T OUR ONLY PRIORITY; WE'RE COMMITTED TO LOWERING OUR ENVIRONMENTAL IMPACT THROUGHOUT OUR ENTIRE PRODUCTION PROCESS. HOW? BY SETTING OURSELVES SIX CHALLENGES THAT WILL SEE US REACH A TRULY WORLD-CHANGING GOAL – A POSITIVE ENVIRONMENTAL IMPACT BY 2050.

The message is clear – Toyota Motor Corporation (TMC) wholeheartedly supports the Paris Agreement and accepts the challenge to achieve carbon neutrality by 2050. The Paris Agreement is a legally-binding international treaty on climate change and is aimed at reducing the emission of gases that contribute to global warming. While this treaty was only adopted in 2015, Toyota has been innovating and investing in technology to reduce emissions and achieve carbon neutrality for well over 30 years. Toyota has also led the way with more electrified vehicles on the road than any other automaker.

CARBON NEUTRAL

THE TOYOTA HILUX HAS BEEN MANUFACTURED TO MINIMISE ITS CARBON FOOTPRINT.

Guided by the goals of the Toyota Environmental Challenge 2050, as little impact as possible is made on the environment during each step of the process. From design to manufacturing, to end-of-life recycling programmes, our planet always comes first. This is because the ultimate long-term goal for Toyota is to make all our vehicles as environmentally friendly as possible. With this in mind, the entire Hilux range has been designed to have very low CO_2 emissions.

ZERO CO_2

CHALLENGE 1

NEW VEHICLE ZERO CO_2 EMISSIONS CHALLENGE

By owning a Toyota you would be contributing to the reduction of vehicle CO_2 emissions by 90% in 2050 as opposed to 2010. You will help us promote the development of next-generation vehicles and further accelerate the spread of these vehicles.

ZERO CO_2

CHALLENGE 2

LIFE CYCLE ZERO CO_2 EMISSIONS CHALLENGE

You are lending a helping hand to Toyota's efforts to reduce to zero not only CO_2 emissions produced in travelling and manufacturing, but all CO_2 emissions including the process of materials production, disposal and recycling of vehicles.

ZERO CO_2

CHALLENGE 3

PLANT ZERO CO_2 EMISSIONS CHALLENGE

You uphold the two main pillars of our strategy to achieve zero CO_2 emissions at our plants which are:

1. Developing and introducing low-CO_2 technologies with ongoing kaizen.
2. Adopting renewable energy sources and utilising hydrogen energy.

CHALLENGE 4

CHALLENGE OF MINIMISING AND OPTIMISING WATER USAGE

In automobile manufacturing, we use water in painting, forging and other processes. Therefore, even a small reduction of its impact on the water environment is important. We have two measures to achieve this - comprehensive reduction of the amount of water used and comprehensive purification of the water and returning it to the earth.

CHALLENGE 5

CHALLENGE OF ESTABLISHING A RECYCLING-BASED SOCIETY AND SYSTEMS

You have contributed to our 40 years on the challenge of resource recycling. Going forward, by rolling out to the world the technology and systems evolved in Japan, we will all continueworking on the challenge of establishing a recycling-based society.

CHALLENGE 6

CHALLENGE OF ESTABLISHING A FUTURE SOCIETY IN HARMONY WITH NATURE

Here at Toyota we have engaged in planting trees at our plants and environmental conservation activities in our surrounding areas. To establish a society where humans and nature coexist in harmony, we are promoting several activities to connect regions, the world and the future.

TOYOTA IS SERIOUS ABOUT COMBATING THE PROBLEMS ASSOCIATED WITH WASTE TYRES IN THE COUNTRY AND HAS THEREFORE TAKEN UP ITS PRODUCER RESPONSIBILITY AS DEFINED BY THE WASTE MANAGEMENT ACT OF 2008. WASTE TYRE REGISTRATION NUMBER: TPREG0031GAU

KEEP YOUR TOYOTA GENUINE

Toyota vehicles are known for their Quality, Durability and Reliability. Keeping your Toyota Genuine means no compromises in terms of safety, performance and resale value. The range of Genuine Products and Approved Services will ensure complete peace of mind throughout the ownership journey and beyond. For more information on how to Keep Your Toyota Genuine visit www.toyota.co.za/owners/genuine-parts

TOYOTA GENUINE PRODUCTS

For guaranteed fit and function, **Genuine Parts** are essential in maintaining the safety and reliability of your vehicle. They also comply with all safety, regulatory and environmental requirements, making it the obvious choice. The same exacting precision applies to **Toyota Accessories**, developed by engineers with extensive knowledge on vehicle integration - you can enhance the appeal and functionality of your Hilux without compromising its safety features or warranty. Warranties are about peace of mind, and the **Genuine Unlimited Warranty** is designed to provide superior cover (up to 10 years, unlimited mileage) and a seamless claims process thanks to full integration with Toyota systems. The **Genuine Extended Service Plan** also enjoys exclusive approval by Toyota SA and provides flexible extension options up to 10 years or 300 000 km to suit your period of ownership. Paying today's rates for tomorrow's maintenance is a sensible way to protect the resale value of your Hilux by means of a full service history.

TOYOTA APPROVED SERVICES

Specialised vehicle maintenance requires first-class facilities, advanced equipment and expert knowledge. **Toyota Quality Service and Value Service** not only promise accurate diagnosis and repair, but also a philosophy of building trust through a genuine concern for the needs of our customers. To complement the extensive network of Toyota dealers, we have a vast number of **Accredited Body and Paint Repairers**, selected on stringent criteria to ensure outstanding workmanship and customer service. You can maintain your vehicle's pristine condition without compromising its warranty thanks to the exclusive use of Genuine Parts by our Accredited Repairers. Offering 24-hour access to a full complement of assistance and recovery benefits, **Toyota Roadside Assistance** provides the peace of mind that competent support is only a phone call away.

TOYOTA GENUINE MEANS

✓ UNCOMPROMISED SAFETY ✓ GUARANTEED QUALITY ✓ PEACE OF MIND
